

The Perfect Balance of Elegance and Comfort

BAIC X35

EXTERIOR

LED Headlights

The city skyline LED headlights provide distinctive styling with flowing turn signals and daytime running lights, ensuring excellent visibility while adding a premium touch to the vehicle front design.

Mirror Signal Light

The side mirrors feature integrated turn signal lights, enhancing visibility of your intentions to other drivers and adding a sophisticated detail to the vehicle profile.

Panoramic Sunroof

The panoramic sunroof (available on Luxury trim) floods the cabin with natural light, creating an open and airy atmosphere for an enhanced driving experience.

17" Alloy Wheels

The 16-inch aluminum alloy wheels provide a perfect balance of style and functionality, complementing the vehicle design while ensuring confident handling.

Family Design Concept

The dynamic front end design follows BAIC family design language, creating a cohesive visual identity with bold lines and modern aesthetics that make the X35 stand out on the road.

INTERIOR

Electric Power Steering

The electric power steering system provides responsive handling and precise control, adapting to driving conditions for an optimal driving experience.

USB Charging Ports

USB charging ports ensure your devices stay powered throughout your journey, with convenient access for both front and rear passengers.

Speedometer

The speedometer instrument cluster provides clear, real-time information about vehicle performance and navigation, with traditional displays to suit your preferences.

Bluetooth Connectivity

Seamless Bluetooth connectivity allows you to stay connected while keeping your hands on the wheel, enabling hands-free calls and wireless audio streaming.

8" Display Screen

The 8-inch touchscreen display serves as the command center for all infotainment features, providing intuitive access to entertainment and vehicle settings.

Modern Interior

The modern interior features a clean, driver-focused design with intuitive controls and high-quality materials that create a welcoming atmosphere for both driver and passengers.

FEATURES

Front-Wheel Drive

The front-wheel-drive configuration ensures confident handling and excellent traction in various weather conditions while maximizing interior space and fuel efficiency.

1.5T Engine

The efficient 1.5T naturally aspirated engine delivers 134 horsepower with excellent fuel economy, providing smooth power delivery for both city commuting and highway cruising.

CVT Transmission

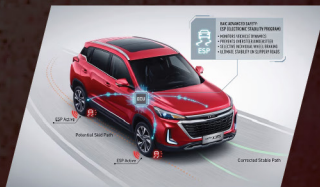

The smooth CVT automatic transmission provides seamless acceleration without gear shift interruption, delivering excellent fuel efficiency and a comfortable driving experience.

SAFETY

6 Airbags

Comprehensive 4-airbag protection system including front, side, and curtain airbags provides comprehensive protection for all passengers in the event of a collision.

Electronic Stability Program (ESP)

The smooth CVT automatic transmission provides seamless acceleration without gear shift interruption, delivering excellent fuel efficiency and a comfortable driving experience.

Tire Pressure Monitoring

The TPMS continuously monitors tire pressure, alerting you to any changes that could affect safety or fuel efficiency.

Rear Parking Radar

Rear parking sensors provide audible alerts to obstacles behind the vehicle, making parking in tight spaces safer and easier.

ABS (Anti-lock Braking System)

EBD (Electronic Brakeforce Distribution)

Anti-lock Braking System with Electronic Brakeforce Distribution ensures shorter braking distances and improved stability during emergency stops.

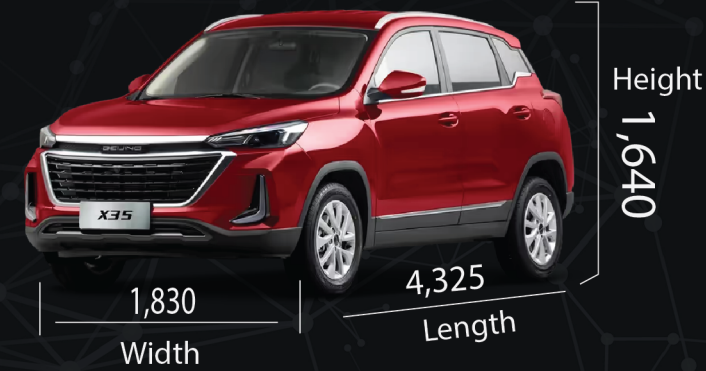

ISOFIX

ISOFIX child seat anchors ensure safe and easy installation of child safety seats, providing peace of mind for families.
